

At **McGraw-Hill Education** we help unlock the potential of each learner by accelerating learning through intuitive, engaging, efficient and effective experiences. **McGraw-Hill Education** is a truly global organization with more than 4,500 full time employees across offices in North America, India, China, Europe, the Middle East and South America who make learning solutions available in nearly 60 languages.

We have an opening for an experienced, driven and strategic FP&A leader in our New York City office.

Reporting directly to the SVP of Financial Planning and Analysis for the global McGraw-Hill Education business, the individual will be responsible for financial and operational reporting for all four business segments and consolidated results, the annual companywide budget process (\$2 billion of annual revenue with \$2.5 billion in assets) and financial aspects of Board of Directors presentations.

Critical Functions:

- Financial and operational segment and consolidated reporting
- Annual consolidated financial budgeting and multiyear forecasting
- Corporate and business unit financial analysis, M&A support
- Facilitation and coordination of consistent segment reporting to external investors, internal constituents and the Board of Directors
- Ad-hoc analysis for various internal and external constituents
- Modeling, M&A analysis and capital structure considerations (approximately 10 such transactions over the last three years)

A successful candidate will have:

- Prior team leadership and global reporting experience
- Experience working closely with senior level executives across multiple functions
- Ability to work in a fast paced, dynamic and geographically dispersed environment
- Bachelor's Degree in Accounting or Finance
- 8+ years of progressive accounting / finance experience
- Strong analytical, problem solving and critical thinking skills
- Ability to understand and easily articulate GAAP and Non GAAP reporting considerations
- Excellent communication skills, both written and oral

Additional skill sets that are not mandatory but beneficial in this role

- Private equity portfolio company reporting experience
- CPA and / or CFA distinction
- Prior capital structure transaction experience (debt and / or equity)
- IBM Cognos TM1 experience

Next Steps:

- If you're interested in this position, submit your resume.
- We'll review your resume and contact you, if appropriate.
- If hired, you will be afforded the opportunity to continue changing the landscape of education.

Join a team of those who want to make a difference in education, are intellectually curious and have integrity! We can offer a means for you to achieve the goals you want to accomplish in your career. Please apply – right now – *we can't wait to meet you!*
