idaciti: FEI's Affinity Partner

- **Founded in 2014 by Emily Huang and Christine Tan**
- **Provides users with a tool to make accessing, analyzing, and visualizing data more intuitive**
- **Uses XBRL to parse public records**
- **Disclosure Research Platform allows you to run a text search on financial footnotes, MD&As, earnings releases, proxy statements, SEC comment letters, and more**

What's in it for my company?

- **Completely streamline and automate the way you pull and present financial and non-financial data**
- **Benchmark KPIs with your competitors, save data cards, and build compelling reports in storyboard format**
- **Receive email notifications within minutes when companies you follow file specific forms with the SEC, including all significant 8-K corporate events**
- **FEI Members receive a 20% subscription discount**
